

EverThrive Illinois' Associate Board

EverThrive Illinois works to improve the health of women, children, and families over the lifespan through community engagement, partnerships, policy analysis, education, and advocacy.

Our **Associate Board** is a dynamic group of young leaders and professionals dedicated to assisting EverThrive Illinois with our advocacy and program activities.

Associate Board members have the opportunity to gain valuable skills and learn about cutting-edge public health topics, while volunteering with a statewide nonprofit organization, and making new friends!

Associate Board members are encouraged to bring their own strengths, skills, and ideas to contribute and strengthen EverThrive Illinois.

What does it mean to be on the Associate Board?

- 1 Attend and participate in most Associate Board meetings (phone or in person). You are permitted to miss up to three meetings per year. *Potential leadership roles available
- 2 Maintain EverThrive Illinois membership status (Fees range from \$25 for a student to \$50 for a professional per year).
- 3 Support Associate Board events and initiatives through attendance, fundraising, and recruitment
- 4 Commit to a twelve month board term, with the possibility of renewal every January (if you join part way through the year, your next renewal will still be January 1)
