About the Gala

At our 2025 Gala, over 200 people came together to support EverThrive Illinois' mission to achieve reproductive justice in the health care ecosystem through community-driven partnership, policy action, and change.

As we continue our work in 2026, we invite you to share in the celebration of our vision of a just and affirming health care ecosystem where individuals, families, and communities can thrive.

About EverThrive Illinois

For nearly 40 years, EverThrive Illinois has been advancing the health and safety of Illinoisans by supporting access to quality health care and providing resources to achieve bodily autonomy. In this time, our focus has broadened from coverage for pregnant people to addressing the wide range of factors that can impact the health of parents, children, and communities. We accomplish this through community-driven partnerships, policy action, and systems-change projects centered on achieving real results that impact the lives of Illinoisans every day. Through 2026, we will continue to focus our efforts on strategic work that fosters a healthier, stronger state for all.
